Converge Rocky Mountain...

If you are looking for the congregations of Converge Rocky Mountain, you’ll find some nestled in majestic mountain passes, others scattered across the windy plains of Wyoming and Nebraska, some in Salt Lake City, and still others in bustling metro Denver. Anglo churches, African-American fellowships, Fil-Am congregations and a growing number of Hispanic churches all converge to form a strategic network of Christ-centered, Bible-based, spiritual communities.

You will discover great diversity in our ethnic backgrounds, our styles of worship and the way we “do” church…but we do share a couple of things in common: A great passion for Jesus Christ and a compelling desire to expand His Kingdom in our region. By planting healthy new churches and building up our established congregations, we believe we can radically reshape the spiritual landscape of the Rocky Mountain West for the glory of God.
