## Projected Congregation Contributions to Converge Rocky Mountain

January 1, 2023 through December 31, 2023

**Partner Church Name:** \_\_\_\_\_

As an affiliated partner in Converge Rocky Mountain, our congregation supports CRM's shared mission to transform lives and communities in the Rocky Mountain West. We covenant to team with other CRM congregations, investing ourselves and these financial resources in reaching our region for Christ. In doing so, we not only support other partner churches and new churches, we also enable CRM to invest in our church, helping us to thrive.

These funds are used to equip lay people, underwrite LEAD networks, training scholarships, support staff and to provide for all other ministry costs in the district. (See the 3S ministry cost break down included in this packet.)
