

Dear Pastor,

Grace and peace to you from the Converge Rocky Mountain Board of Overseers.

Thank you for your faithful leadership and your commitment to advancing the Gospel throughout the Rocky Mountain region. Whether you shepherd a small, medium, or large congregation, your dedication to your church, your community, and our shared mission is what enables us to reach people with the hope of Christ. We are grateful for your partnership—none of this work can be done alone, and we are stronger together as part of the Converge movement.

For over twenty years, Paul Mitton has served our region with exceptional devotion, traveling throughout Utah, Colorado, Wyoming, and Western Nebraska to unite and strengthen our churches. Paul has informed the Board of his intention to retire, and he has graciously provided ample time for us to seek the next President of Converge Rocky Mountain. We are deeply thankful for Paul's leadership, his vision, and his tireless service, and we are committed to seeking God's direction as we look toward the future.

We are writing to invite your help in this important search. Enclosed, you will find two brochures and a one-page job description outlining the role of our next Regional President. If you—or someone you know—may be called to lead Converge Rocky Mountain into the next decade, we encourage you to prayerfully review these materials. You may forward them to potential candidates or submit a cover letter and résumé directly to Search@ConvergeRockyMountain.org. Please submit by February 28, 2026.

Most importantly, we ask you to join us in prayer. We are seeking God's provision and wisdom as we discern the leader He has prepared for this next season.

With gratitude for your partnership in the Gospel,

Keith Carson

Chairman, Board of Overseers

Ministry Environments Executive Pastor, Mission Hills Church
